

GRANITWARE

Coated granite effect dishes for hot, cold & induction counters

Give your hot counter the granite look

Beautiful, long lasting, lightweight, non-stick dishes ideal for use on counters and buffets for both cooking and serving.

The circular skillets are induction compatible & available in various sizes & depths with glass presentation lids.

With two sizes of bake trays, an oblong deep casserole a grill tray and fry pan there is a dish for every need.

The stone coating is enhanced with titanium reinforced particles making Graniteware ideal for all foodservice applications.

Lightweight, non-stick & dishwasher safe these dishes have easy to use, keep cool handles.
