

Ceramic TMP Lightweight Dishes

Elegant and Stylish

Modern, stylish, lightweight ceramic dishes - a breakthrough for all caterers especially large scale caterers needing large dishes!

Primeware's lightweight TMP dishes are tough and durable. They are fired at 1300°C for 12 hours and can be used in temperatures from -20°C to +250°C, ideal to freeze, chill, microwave, roast/serve and are dishwasher safe.

They are available in 5 sizes in white and are also available in the following vibrant colours: Pillar Box Red, Racing Green, Blue and Tuscan Yellow.

These dishes are designed for maximum visual impact.
