

Hot and Cold Buffet

Using Primeware's modular GN sized products along with other shaped items in our range is an easy way to create an appealing colourful buffet solution. See our guide to Get the Look.

Buffet

Primeware's product portfolio allows a flexible approach to food display which is adaptable to large or small catering operations. This brochure has been created to show how our different ranges can be mixed and matched to create unique food displays which can be used to complement food, space & style.

Hot Breakfast Buffet

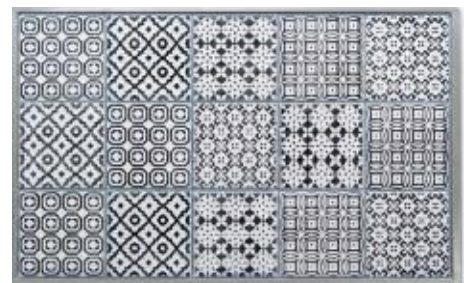

All items are induction compatible

Breakfast Side Orders

Adding individual items & different shapes to a display creates interest and makes the feel of the buffet more of an experience.

Items shown to right include our Marblelux tumbled marble printed custom platters, Quality Melamine 'like porcelain' platter on our oak & steel loop riser.

And our Batik Tiles are great to add interest to any food display.... choose from red, blue, black or green.

Hot Breakfast Buffet

Using our Graniteware & Batik Display tile

The oblong bakers look great for breakfast displays and the round skillets are available in sizes from 20cm - 40cm & induction compatible, the griddle tray a perfect addition for an appetising breakfast display.

Continental Breakfast Buffet

This mouthwatering buffet includes our electric Hot Top perfect to display & keep croissants warm.

Working Lunch

Using Quality Melamine -
Marble boards with raised lids, square bowls with lids & espresso cups
...all virtually unbreakable yet dishwasher safe.

Salads & Stuff

Using Quality Melamine round Mina platters

on circular risers & Quality melamine 'like porcelain' circular bowls with lids. Elegant, excellent value textured platters in 3 sizes - 35, 40 & 45cm diameter. Circular bowls with lids in 7 sizes from 5.8cm to 25.3cm diameter ...all virtually unbreakable yet dishwasher safe. Risers available in various sizes and designs.

Hot Counter

Using our Graniteware and colourful Durabel porcelain dishes & Batik Display tile

The round skillets are available in sizes from 20cm - 40cm and are induction compatible.

The Durabel porcelain GN dishes come in 8 vibrant colours including military grey to add style and interest.

When finished with a Batik tile what's not to love about this hot food display?

Product Guide

Quality Melamine

These melamine products look & feel just like porcelain and shine forever. They are chip and stain resistant, dishwasher safe and many items are designed to work together in a modular format and are available with lids. Most items are available in black & white and we now have introduced lime green and taupe to our platters & square bowls. Please refer to our Quality melamine brochure for the full range of products which include:

- Square, round, oblong & oval bowls & matching lids & serving spoons
- Square, GN & oblong platters with clear raised lids available for many sizes
- Plates, mugs, cups & saucers, GN containers, tapas dishes & triple bowls

Risers

Choose from our beautiful square solid oak & steel loop risers available as a set or as wood blocks & from our wide selection of metal and wood risers as shown on our web site

Hot Trays

Hot Trays sit on the top of a solid top counter be it hot or cold. They absorb the ambient temperature and on a hot counter will be ready to use in c.10 minutes. They come with a non - slip silicone mat to prevent slipping. An ideal way to present food either directly on the surface or on top in dishes. Our new Batik design now comes in 4 colours: red, blue, green & black.

Marblelux

These beautiful tumbled marble tiles can be printed with your design - ..just send us a high res image or choose from our selection of 9 designs. Perfect to add a bit of branding & style to any food display.

Hot Counter

Product Guide

Hot Tiles

Hot Tiles drop in the well of a counter or chafing dish to create a solid top on which to present food or display food in dishes.

The Tiles absorb the ambient temperature and on a hot counter will be ready to use in minutes. They have feet on the back to locate in the well to prevent the tile moving.

Our new Batik design now comes in 4 colours: red, blue, green & black.

Graniteware
